

Cohesive Wildland Fire Management Strategy
National Goals; Collective Solutions

*Resilient Landscapes
Fire Adapted Communities
Response to Wildfire
Supported by Science*

Final Comment Periods for Draft Regional Action Plans for Cohesive Strategy Accepting Comments until February 1

What are Action Plans?

Action plans detail the goals, objectives, outcome-based performance measures, investment options, and priority implementation tasks for the Cohesive Strategy.

Regional actions are one step, of many, toward achieving the three national Cohesive Strategy goals: Restore and Maintain Landscapes, Fire Adapted Communities and Fire Response.

Western Region

When: January 18-February 1.

How:

To review the draft action plan and provide suggestions and comments go to:

<http://sites.nemac.org/westcohesivefire/comment-period/>

The western region is also providing the option of sending written comments to:

westerncohesivestrategy@gmail.com

Contact: Joe Freeland, jfreeland@blm.gov

Northeast Region

When: January 21- February 1. Note: Active Monday, January 21.

How:

To review the draft action plan and provide comments visit:

<http://sites.nemac.org/northeastcohesivefire/comment-period/>

In addition, the NE Regional Strategy Committee will be hosting three webinars over the next two weeks during which you will be able to provide your comments on the draft plan.

To register:

[January 24, 10 am eastern](#)

[January 24, 5 pm eastern](#)

[January 30, 10am eastern](#)

Contact: Larry Mastic, gamlam1107@gmail.com

Southeast Region

When: January 22-February 1. Note: Active Tuesday, January 22.

How:

To review the draft action plan visit:

<http://sites.nemac.org/southeastcohesivefire/>
